2 Purpose and scope of the document

This document, which is an attachment to the CPS Qualified Certificates of the Certification Authority Actalis S.p.A., aims to list the Italian and foreign identity documents, which, taking into account the dissemination and requests from customers and partners, have been found acceptable for the correct identification of the Holder in the processes of issuing qualified certificates of electronic signature or a qualified certificate for legal entity (certificate for electronic seal).

The documents listed below can be considered as acceptable by both the Certification Authority and its RAs.
